

## Child Care Advocacy Resources in the Bay Area and Beyond

- **Center for the Future of Children** ([www.futureofchildren.org](http://www.futureofchildren.org)) – Publishes *The Future of Children*, disseminating timely information on major issues related to children's well-being.
- **Child Welfare League of America** ([www.cwla.org](http://www.cwla.org)) – Promotes the well-being of children, youth, and their families, and protecting every child from harm.
- **Children Now** ([www.childrennow.org](http://www.childrennow.org)) – Independent voice for children, working to translate the nation's commitment to children and families into action.
- **Children's Partnership** ([www.childrenpartnership.org](http://www.childrenpartnership.org)) – National nonprofit, nonpartisan organization whose mission is to inform leaders and the public about the needs of America's children.
- **Child Trends** ([www.childtrends.org](http://www.childtrends.org)) – Nonprofit, nonpartisan research organization dedicated to improving the lives of children by conducting research and providing science-based information to improve the decisions, programs, and policies that affect children and their families.
- **Coalition for America's Children** ([www.usakids.org](http://www.usakids.org)) -An alliance of national, state, and local nonprofit organizations working to call attention to the serious obstacles impeding children's well-being and to boost children's concerns to the top of the public policy agenda.
- **Jumpstart** ([www.jstart.org](http://www.jstart.org)) – Nonprofit organization that engages young people in service to their community to work toward the day when every child in America will enter school prepared to succeed.
- **Kids-Right** ([www.kids-right.org](http://www.kids-right.org)) – Promoting the rights of children to have contact with both parents. Working to change the laws of the United States through a campaign of public action.
- **Kids In Common** ([www.kidsincommon.org](http://www.kidsincommon.org)) – Kids In Common grew out of the 1995 merger of two children and families-focused organizations. Children in Silicon Valley will live in a safe and healthy environment with abundant opportunities for social, emotional and intellectual growth.
- **National Association of Child Advocates** ([www.childadvocacy.org](http://www.childadvocacy.org)) – Professional association of nonprofit state and local child advocacy organizations united to battle for children's safety, security, health and education.
- **Parent Voices** ([www.parentvoices.org](http://www.parentvoices.org)) – Grassroots organization fighting to make quality child care affordable and accessible to all in California.
- **100 Percent Campaign** ([www.100percentcampaign.org](http://www.100percentcampaign.org)) – Over 1.3 million children in California--nearly 1 in 7--are uninsured. Children Now, Children's Defense Fund and The Children's Partnership, with primary support from The California Endowment, have joined in a collaborative effort to ensure that all of California's children obtain the health coverage they need to grow up healthy and strong.
