The State of California (Through Title 22, Division 9, Chapter 1.1 of the California Code of Regulations) requires new childcare providers to attend 16 hours of training. This training consists of a total of 8 hours of First Aid and CPR (renewed every 2 years) and 8 hours of the Preventative Health and Safety Course (which includes 1 hour of nutritional training and is only required to be taken once). Adams Safety Training provides the necessary training for childcare providers to meet the requirements of California State Law. Childcare providers licensed before Jan 1, 2016 do not need to take the revised 8-hour Preventative Health and Safety Course (which includes the 1-hour nutritional class) unless the provider is seeking:

- New application
- Relocation
- Transfer and sale (CCC only)
