DO YOU WANT TO...

...Change the lives of children and families in your community?
...Make a profound impact in the realm of child care and early learning?
...Empower your community in a major way?
...Use your leadership skills for something truly meaningful?

THEN JOIN THE 4CS' BOARD OF DIRECTORS.

The Community Child Care Council of Santa Clara County, Inc. (4Cs) has been in existence for the past 47 years. And in that time, we've been working hard to ensure that low-income families receive the child care, resources, and tools that they need in order to become self-sufficient. With our team of child care professionals, along with our dedicated staff, we are working to empower and uplift our community, day by day.

If you were to join our Board of Directors, you would have an opportunity to support us in making decisions that will help to shape the futures of families throughout Santa Clara County.
